

Merchants Metals IS NOW STOCKING GUARDRAIL!

Buy your guardrail from the same dependable company that you rely on for quality fence products.

Merchants Metals is now stocking a full line of guardrail products. Standard items include panels, posts, flared ends and single buffer ends. Special panels, posts and accessories are also available by special order.

Please call or visit your local service center the next time your project requires guardrail and let MERCHANTS METALS provide you with the high quality products you've come to expect.

- Produced in accordance with AASHTO-M180
- More uniform and more effective corrosion protection
- Safer handling
- Cleaner hole punching
